## RECLAIM YOUR LIFE:

A Doctor’s Guide to Health and Vitality for the Awakening Woman

Women are missing the memory-making moments of their life in pursuit of the perfect body, flawless skin and elaborate material things. Dr. Hansen sees women search unceasingly for answers externally; anything for a quick fix to feel better, look younger and grasp for happiness at all costs. Embracing the truth of what it takes to be physically healthy and soulfully happy in today’s chaotic world, women return to the heart of their multiple roles as a powerful deity in their own life.

## MEANINGFUL MENOPAUSE

Managing the Madness While Making Meaning in Midlife

Menopause is not a dirty word but sometimes women feel like they are going “mad” as their body betrays them, hormones rage and wrinkles appear. Drawing from 20 years of clinical experience as a gynecologist, Dr. Hansen enlightens women about how this transition can be a time of transformation and renewal. Through intimate patient stories and humor, the raw truth about what is happening to your body is uncovered revealing a radiant new way to step into the powerful role nature is beckoning you to own.

## A JOURNEY TO REDISCOVER INTIMACY

Restore your Relationship, Renew Your Soul

On a quest to help women find their inner sexy, Dr. Hansen shares openly the stories of women who walk into her office feeling broken and leave with an illumed awareness that lights the path to a deeply loving marital bond. Utilizing transparency and humor about her own marriage to an astronaut, Dr. Hansen explores the male brain, the relationship dynamic, couple communication and the truly sexy stuff that opens the door for couples to re-ignite their passion.
